About Beckenham Photographic Society

BPS is a friendly, welcoming society that encourages members to share their passion for photography and enhance skills through a busy programme of events. On Wednesday evenings we enjoy presentations from distinguished visiting photographers and members as well as share skills and ideas through workshops. Club and external competitions are a feature with BPS regularly achieving success in inter-club competitions.

Members have a wide range of skills and expertise which they are happy to share. During the summer members also meet informally for events and visits.

Special Interest Group

The Nature Group regularly meets on field trips to hone the particular skills needed for taking images of flora and fauna. Organiser Julia Andrew LRPS
