## About Beckenham Photographic Society

BPS is a friendly, welcoming society that encourages members to share their passion for photography and enhance skills through a busy programme of events. On Wednesday evenings we enjoy presentations from distinguished visiting photographers and members as well as share skills and ideas through workshops. Club and external competitions are a feature with BPS regularly achieving success in inter-club competitions.

Members have a wide range of skills and expertise which they are happy to share. During the summer members also meet informally for events and visits.

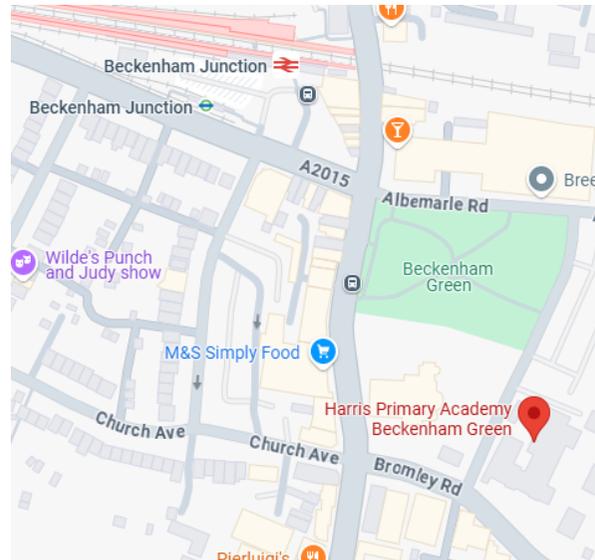

### Special Interest Group

**The Nature Group** regularly meets on field trips to hone the particular skills needed for taking images of flora and fauna. Organiser Julia Andrew LRPS

### Subscription for 2025-26 (due at start of season)
